Federation Membership, U.S. Chamber of Commerce

Grow the pro-business voice and increase value by partnering with the U.S. Chamber to give your small businesses two memberships for the price of one.

The Big Sky Chamber of Commerce has partnered with the U.S. Chamber of Commerce through the Federation Membership program. This program offers Big Sky Chamber small businesses value-added benefits, including access to members-only sections of the U.S. Chamber's online Small Business Center; discounts on products and services; uschamber.com Weekly and the U.S. Chamber's small business e-newsletter. The Federation Membership is of no cost to small business members of the Big Sky Chamber of Commerce.

Better Business Bureau

To promote and foster the highest ethical relationship between businesses and their customers.

The Better Business Bureau *Serving Eastern Washington, Northern Idaho & Montana* provides an ever-growing range of services to meet the needs of businesses and consumers. For example; Business Reliability Reports, Alerts and News, BBB'S Non-Responders List, Membership and Roster Information, Resource Library, Charity Report, Advertising Review Programs and Dispute Resolution. All of these value added benefits are brought to you through your Big Sky Chamber of Commerce Membership.

SCORE (Senior Core Of Retired Executives)

SCORE provides resources and expertise to maximize the success of existing and emerging small businesses

SCORE's unique service is based upon the idea of giving back to the community—in this case the local business community. Businessmen and businesswomen with successful careers and entrepreneurial ventures join SCORE to volunteer their time and expertise to help new businesses start and existing businesses grow and succeed. The Big Sky Chamber of Commerce has access to a dozen SCORE volunteers from Bozeman, who make their way to Big Sky and assist our local business community.

Business Over Breakfast

Designed to keep our community and surrounding industries and organizations on the same page regarding issues related to growth, community, business and current events.

This program is offered quarterly and is a great way to get involved in the community that serves you. Stay on top of important topics, ranging from the strategic planning department, to environmental concerns, to community events. Get to know fellow community members, and let your voice be heard.

Business Workshops

Feature different speakers or activities each month with topics centered around business development and growth.

How do you plan for the future? How can I better manage my time and money? How do I hire good employees? How do I market my business? These are just a few of the topics discussed at our business workshops. All are designed to further your business no matter the industry.
