Membership Has Its Advantages

Member 2 Member Business Participation Form

The Member 2 Member purchase incentives program is designed with both your business and our local economy in mind. The Big Sky Chamber wants to encourage individuals to buy local through this purchase incentives program. In addition the Chamber wants to add more value to your membership and aid the growth of your business and our local economy.

Benefits of the Program

- Saving you money on products or services you use on a regular basis.
- Stimulating awareness among fellow Chamber members about your business, products, and/or services.
- Increasing business activity among the Big Sky Chamber members.

To be included in the Member-to-Member Purchase Incentives Program please complete the following information and return to the Chamber office.

Business Name _____ Contact _____
