Dear Mr. Byrom:

The Big Sky Chamber of Commerce is pleased to work with Gallatin County to submit this 2014 CDBG Planning Grant application. The application proposes preparation of a preliminary architectural report (PAR) and feasibility study to develop affordable workforce housing in Big Sky. This planning effort will build on the existing housing study conducted on behalf of Big Sky by Economic & Planning Systems, Inc.

This letter is to confirm that the Big Sky Chamber of Commerce will provide \$10,000 toward this effort in matching funds, should Gallatin County be awarded the grant.

We appreciate your consideration of the application and look forward to hearing good news.

Sincerely,
